

Amici Aesthetics

vShape Focused RF

Body Contouring, Cellulite, Fat, Skin Tightening & Hyperhidrosis

Post-Treatment and Follow-Up

1. Drink a glass of water immediately after the treatment and at least 8-10 cups a day for three days following the treatment.
2. Avoid excessive exercise, sweating, hot baths or saunas for three days after the treatment.
3. Avoid consumption of alcoholic drinks for three days after treatment (alcohol might drain water from the body and skin).
4. Make-up can be applied 2 hours after the treatment.
5. The number of treatments may vary according to the degree of skin irregularity, patient age, skin condition, smoking history, medical history and medications, etc.
6. Treatments should be spaced every 2-3 weeks for 4 to 6 treatments. To maintain, follow up treatment at 6 months, as well as annually.
7. Call The office at 832-206-4418 with any questions or complications
